

**As a Thank-You
For Participating in the
Pro-Am!**

**January 27, 2012
At the Unit Game
7:00 PM**

**Ams get Half-Price
Entry in Special**

Each player purchasing a Pro gets 1/2 off on "Am Night"

There will be a special Am-only session at the Unit Game on January 27 at Wilkins Twp. Muni Bldg. No one who has over 1000 points will be able to play in that game.

Ams who have under 1000 points (as of the December 2010 masterpoint cycle) will be allowed to play in the special section, or may choose to play in the Open Game. Ams who have over 1000 MPs will still get 1/2 off at the unit game on January 27, but must play in the open game.

Players who did not purchase a "Pro" may play in the Special Game provided they have fewer than 1000 masterpoints, but they will pay full price (\$6.00). So, if you want to invite a special partner, or you didn't play in the Pro-AM game, come on down!!

You can help create a masterpoint-limited section at the Unit Game! If this special game is successful in January, we plan to hold more special masterpoint-limited games!
